Apprenticeship opportunities

Kwik Fit Autocare Technician Apprenticeship

Apprentice

Cheltenham Albion Street
Salary: £13,174 - £17,702 per annum

Job Reference Number: KF18968

Posted over a month ago

Apply

Looking for car mechanic jobs but don't have experience?

As an apprentice, you get paid while you build the experience and skills you need to be an Autocare Technician with Kwik Fit. All we ask for is a genuine interest in cars, positive attitude and a knack for making people happy — our expert coaches will help you with the rest.

Why choose Kwik Fit for your Autocare Technician apprenticeship?

Because it's a great place to work — check out the video and see for yourself. As a Kwik Fit apprentice, you get:

- A dedicated apprenticeship team to support you
- Industry-leading training academies
- Free Google Chromebook
- Discount at shops and mental health support on your phone
- Ongoing career development on completion

Do you need GCSEs to get on an apprenticeship?

No. If you didn't get level 3 or above in your maths and English GCSEs, we will help you achieve the level you need to pass your apprenticeship. We have a tutor to help you and it's not like being at school.

Engineering Apprenticeships in Gloucester

Start your engineering career today.

Level 3 Apprenticeships

Begin Your Future Now!

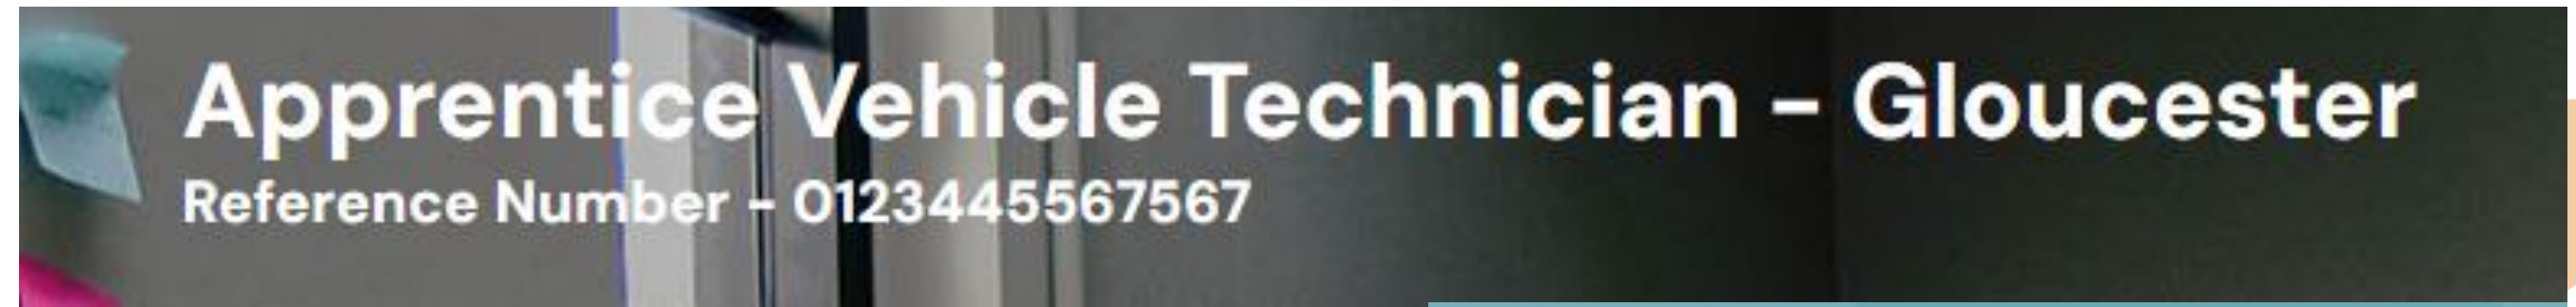

Join us in the electric vehicle revolution as we continue to advance the engineering and manufacturing industries.

Our Level 3 apprenticeships offer you a comprehensive learning and practical experience programme, where you will learn foundational and advanced skills within your respective field as part of your qualification, ready to prepare you for your future career.

As you work towards your qualification, you will apply your knowledge in *real-world scenarios*, contributing to the smooth operation of our manufacturing plants. Upon completion, depending on the specific apprenticeship you are working towards, you will receive a **Level 3 Extended Diploma in Mechanical Engineering / Human Resource practice** or an equivalent qualification.

There may also be an opportunity to progress to an **HNC-level qualification**, further enhancing your skills and career prospects.

Join Wessex Garages as a Vehicle Technician Apprentice!

Are you ready to kickstart an exciting career in the automotive industry? We're on the lookout for enthusiastic individuals to join our Vehicle Technician Apprenticeship Programme at Wessex Garages.

We're not just looking for skills – we're looking for potential! Here's what helps you stand out:

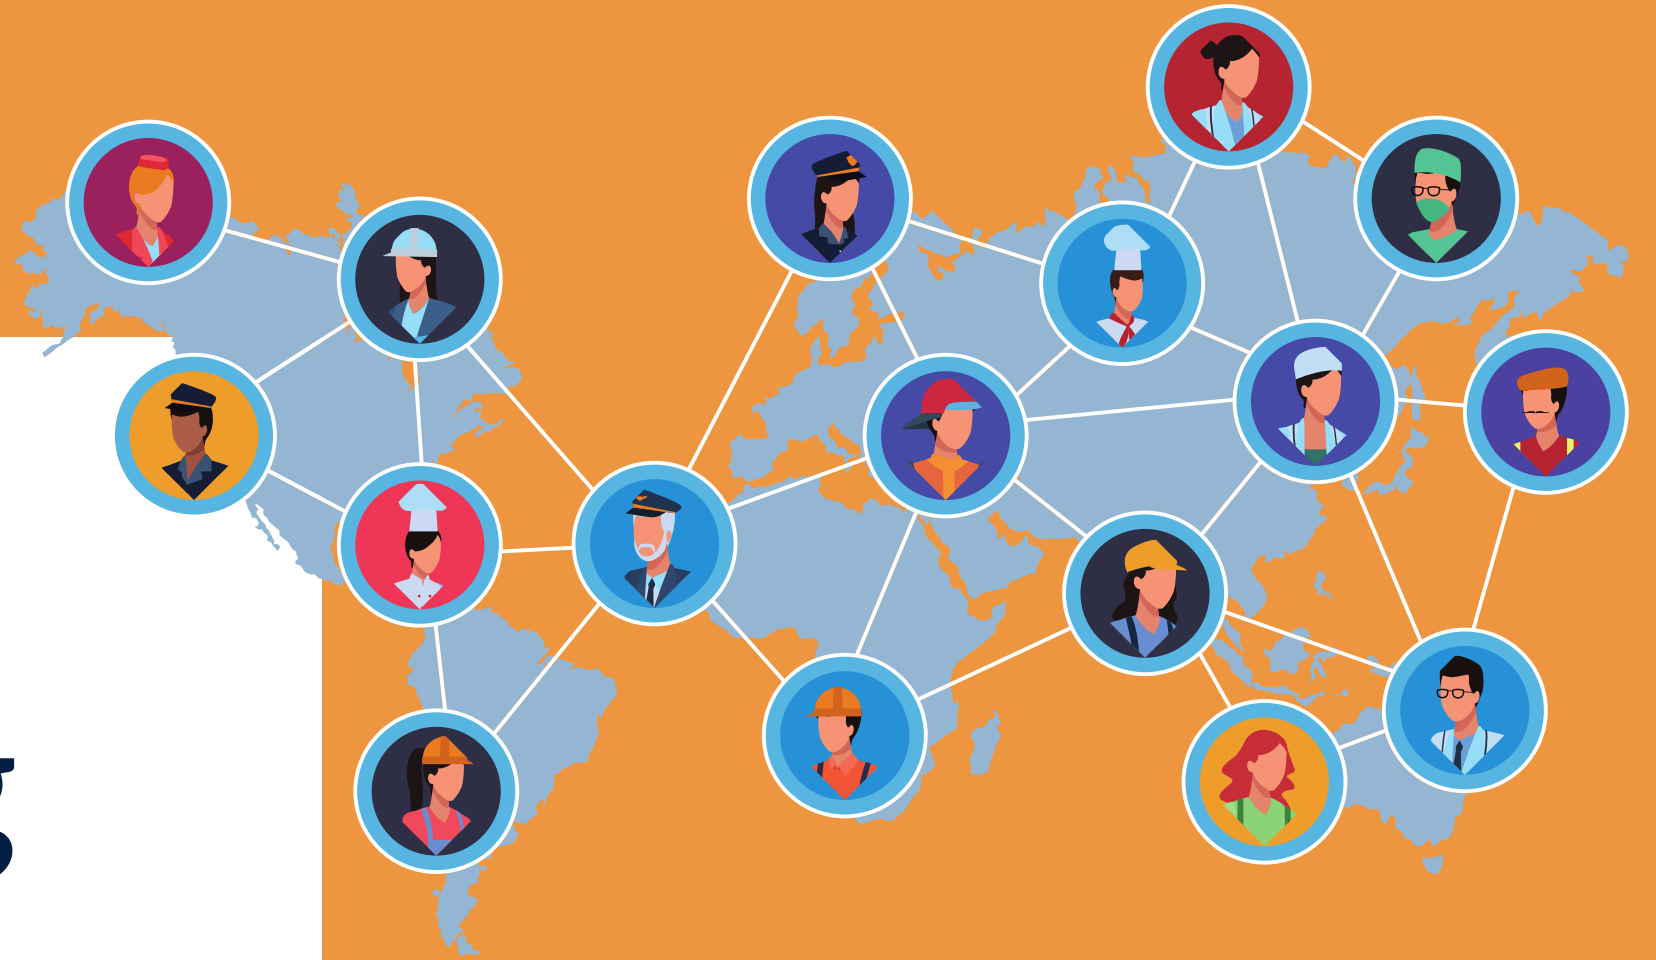

- Qualifications: GCSEs (or equivalent) in English and Maths at grade 4/C or above are a bonus.
- Skills: Great communication, attention to detail, team spirit, and initiative are key.
