Dear parent and carers,

Instrumental and Vocal Tuition at Cheltenham Bournside School 2025-26

We are delighted to offer your child the opportunity to learn a musical instrument or receive vocal tuition here at Bournside. Music lessons provide so much more than technical skills. They help students build confidence, creativity, resilience, and self-discipline, while also boosting focus, memory, and overall academic achievement. Most importantly, making music is an enjoyable way to express yourself and be part of something bigger. Whether your child is a complete beginner or already experienced, they are warmly encouraged to take part and join our thriving musical community.
