

## Curriculum Years 7 - 11

### Year 7

Students follow a 2-week cycle of 50 periods per cycle (25 per week, 5 per day). Each period is 55 minutes long. In Year 7, all subjects are studied in mixed ability groups, except for PE.

4 periods of PE are grouped by ability as the year progresses. 12 groups are set across 3 bands, with 2 girl groups and 2 boy groups in each band.

There are 10 mixed ability teaching groups across Year 7. In their teaching group, students study 6 periods of Mathematics and 7 periods each of English and Science per cycle. 3 periods of Geography and History, 2 periods each of Art, Computing, Drama, Music, and Religious Studies as well as 1 period of Education 4 Life, are also studied in their teaching groups.

For their 3 periods of Design and Technology, students follow a carousel programme across the disciplines of Textiles, Food Preparation and Nutrition, Graphics and Product Design. Groups are taught across 5 bands with 3 classes per band.

For their 6 periods of Modern Foreign Languages, students follow a carousel programme across French, Spanish, Mandarin and German. MFL is taught in 10 groups across 3 bands. At the end of Year 7, students choose which two subjects they would like to continue to study in Year 8 and 9.

Year	Subject	No. of periods per cycle	How are the groups set?
7	PE	4	set
	Mathematics	6	mixed ability
	Art	2	mixed ability
	Computing	2	mixed ability
	Drama	2	mixed ability
	Music	2	mixed ability
	Religious Studies	2	mixed ability
	Geography	3	mixed ability
	History	3	mixed ability
	Design and Technology	3	mixed ability
	English	7	mixed ability
	Science	7	mixed ability
	MFL	6	mixed ability
	Education for Life	1	mixed ability

## Year 8

Students follow a 2-week cycle of 50 periods per cycle (25 per week, 5 per day). Each period is 55 minutes long. In Year 8, all subjects are studied in mixed ability groups, except for PE and Mathematics.

4 periods of PE are set in 12 groups across 2 bands, with 3 girl groups and 3 boy groups in each band.

Students study 6 periods of Mathematics and are set in 13 groups across 3 bands to allow for effective intervention where needed.

There are 10 mixed ability teaching groups across Year 8. In their teaching groups, students study 7 periods each of English and Science per cycle. 3 periods each of Geography and History, 2 periods each of Computing, Art, Drama, Music and Religious Studies and 1 period of Education for Life are also studied in their teaching groups.

For their 3 periods of Design and Technology, students follow a carousel programme across the disciplines of Textiles, Food Preparation and Nutrition, Graphics and Product Design. Groups are taught across 5 bands with 3 classes per band.

Students study 6 periods of Modern Foreign Languages, split between a combination of two languages (French, Spanish, German and Mandarin) based on their choice at the end of Year 7. Some students study Spanish only across the 6 periods.

Year	Subject	No. of periods per cycle	How are the groups set?
8	PE	4	set
	Mathematics	6	set
	Art	2	mixed ability
	Computing	2	mixed ability
	Drama	2	mixed ability
	Music	2	mixed ability
	Religious Studies	2	mixed ability
	Geography	3	mixed ability
	History	3	mixed ability
	DT	3	mixed ability
	English	7	mixed ability
	Science	7	mixed ability
	MFL	6	mixed ability
	Education for Life	1	mixed ability

## Year 9

Students follow a 2-week cycle of 50 periods per cycle (25 per week, 5 per day). Each period is 55 minutes long. In Year 9, all subjects are studied in mixed ability groups, except for PE and Mathematics.

Students study 6 periods of Mathematics and are set in 12 groups across 2 bands, to allow for effective intervention where needed.

4 periods of PE are set in 12 groups across 2 bands, with 3 girl groups and 3 boy groups in each band.

Students study 7 periods of English per cycle. 12 mixed ability groups are spread across 2 bands, with 6 groups in each band.

Students study 7 periods of Science per cycle. 10 mixed ability groups are spread across 2 bands, with 5 groups in each band.

There are 10 mixed ability teaching groups across Year 9. In their teaching groups, students study 3 periods each of Geography and History, 2 periods each of Computing, Art, RS, Music and Drama, and 1 period of Education for Life per cycle.

For their 3 periods of Design and Technology, students follow a carousel programme across the disciplines of Textiles, Food Preparation and Nutrition, Graphics and Product Design. Groups are taught across 5 bands with 3 classes per band.

Students have 6 periods each of Modern Foreign Languages and will continue to study the same combination of languages as they studied in Year 8.

Year	Subject	No. of periods per cycle	How are the groups set?
9	PE	4	set
	Mathematics	6	set
	Art	2	mixed ability
	Computing	2	mixed ability
	Drama	2	mixed ability
	Music	2	mixed ability
	Religious Studies	2	mixed ability
	Geography	3	mixed ability
	History	3	mixed ability
	DT	3	mixed ability
	English	7	mixed ability
	Science	7	mixed ability
	MFL	6	mixed ability
	Education for Life	1	mixed ability

## Year 10

Students follow a 2-week cycle of 50 periods per cycle (25 per week, 5 per day). Each period is 55 minutes long. Students study the core subjects required plus 4 option subjects.

For core subjects, students study 8 periods of Mathematics and 9 periods each of Science and English. All three subjects are set in 12 groups across 2 bands, with 6 groups in each band. 2 periods of core PE are set in 12 groups across 2 bands, with 3 girl groups and 3 boy groups in each band. Students study 1 period each of Education for Life and Religion and World Views.

Students study 4 options subjects for 5 periods per cycle. The 26 options are GCSEs in: Fine Art, Art Photography, 3D Art, Business Studies, Computing, Dance, Drama, Food Preparation and Nutrition, Geography, History, Media Studies, Music, Product Design, French, Spanish, German, Mandarin, Physical Education, Sociology, Religious Studies, Triple Science and Textiles.

We also offer BTECs in Level 2 Health & Social Care and Sport, plus Cambridge Nationals in Level 2 Business Vocational and Creative iMedia.

Year	Subject	No. of periods per cycle	How are the groups set?	
10	Mathematics	8	set	Students must study all of these Core subjects
	Science	9	set	
	English	9	set	
	Core PE	2	set	
	Education for Life	1	mixed ability	
	Religion & World Views	1	mixed ability	
	Fine Art	5	mixed ability	Students study 4 subjects
	Art photography	5	mixed ability	
	3D Art	5	mixed ability	
	Business Studies	5	mixed ability	
	Computing	5	mixed ability	
	Dance	5	mixed ability	
	Drama	5	mixed ability	
	Food Prep & Nutrition	5	mixed ability	
	Geography	5	mixed ability	
	History	5	mixed ability	
	Media Studies	5	mixed ability	
	Music	5	mixed ability	
	Product Design	5	mixed ability	
	French	5	mixed ability	
	Spanish	5	mixed ability	
	German	5	mixed ability	

Mandarin	5	mixed ability	
PE	5	mixed ability	
Sociology	5	mixed ability	
Religious Studies	5	mixed ability	
Triple Science	5	mixed ability	
Textiles	5	mixed ability	
Health & Social Care	5	mixed ability	
Sport	5	mixed ability	
Business Vocational	5	mixed ability	
Creative iMedia	5	mixed ability	

## Year 11

Students follow a 2-week cycle of 50 periods per cycle (25 per week, 5 per day). Each period is 55 minutes long. Students study the core subjects required continue studying their 4 option subjects from Year 10.

For core subjects, students study 8 periods of Mathematics and 9 periods each of English and Science. All of these subjects are set in 12 groups across 2 bands, with 6 groups in each band. 2 periods of core PE are set in 12 groups across 2 bands, with 3 girl groups and 3 boy groups in each band. Students study 1 period each of Education for Life and Religion and World Views.

Students study 4 options subjects for 5 periods a cycle. The 25 options are GCSEs in: Fine Art, Art Photography, 3D Art, Business Studies, Computing, Drama, Food Preparation and Nutrition, Geography, History, Media Studies, Music, Product Design, French, Spanish, German, Mandarin, Physical Education, Sociology, Religious Studies, Triple Science and Textiles.

We also offer BTECs in Level 2 Health & Social Care and Sport, plus Cambridge Nationals in Level 2 Business Vocational and Creative iMedia.

Year	Subject	No. of periods per cycle	How are the groups set?	
11	Mathematics	8	set	Students must study all of these Core subjects
	Science	9	set	
	English	9	set	
	Core PE	2	set	
	Education for Life	1	mixed ability	
	Religion & World Views	1	mixed ability	
	Fine Art	5	mixed ability	
	Art photography	5	mixed ability	
	3D Art	5	mixed ability	
	Business Studies	5	mixed ability	
	Computing	5	mixed ability	

Dance	5	mixed ability	Students study 4 subjects
Drama	5	mixed ability	
Food Prep & Nutrition	5	mixed ability	
Geography	5	mixed ability	
History	5	mixed ability	
Media Studies	5	mixed ability	
Music	5	mixed ability	
Product Design	5	mixed ability	
French	5	mixed ability
