## Rose is Roller Cup novice Vice-Champion!

After competing in the Dance Roller Cup Finals at Breydon Arena in Great Yarmouth last weekend, Rose in Year 11 is now the Roller Cup Novice Vice-Champion!

Rose said, "It was only my second year competing in Roller Cup and my only goal for this year was to make it to the finals. If you'd told me at the beginning of this year that this is where I would be now I wouldn't have believed you. Being the youngest in my category [16+] I had no expectations of what this year was going to be like. I struggled with my confidence and self belief at the start of this year and wouldn't be here without my coaches and teammates who supported me every step of the way."

Well done Rose! We are so pleased to hear about your success!

The poster features a yellow background with a blue airplane icon at the top left. The main text reads 'South Africa 2025 Sports Tour Bingo Fundraiser!' in white and yellow. Below this, it says 'Friday 15th November, 6pm - 9pm Bournside Main Hall Adults/18+ only £15'. There are icons for a bingo card, a raffle, and a map of South Africa. At the bottom, there are silhouettes of a basketball player, a soccer player, and a runner. The text 'Bournside Sports Tour 2025' is visible on the map icon.

The scoreboard shows the following data for ROSE BULLINGHAM:

PREV. SEGMENT	CD1	6.53	RANK	2		
FD	Tech.	12.33	Comp.	6.75	Ded.	0.0
	TOTAL	19.08	RANK	1

# Careers Fair

Thursday 21st November 2024, timings below  
Bournside Sports Centre

## Purpose of a Careers Fair

We are busy finalising the plans for our Careers Fair. With less than two weeks to go, why should your child attend?

We have more than 60 employer and educational stands confirmed for the event already, which gives our students an amazing opportunity to talk to a wide range of employers directly. They can learn all about the opportunities available to them and what they need to do to achieve them.

The Careers Fair is also an opportunity for students to explore future education and employment options and to access independent careers advice and guidance.

Students can use the Fair to work on their networking skills too. It's all about building their confidence in professional settings. Why not use it to get advice from the people who will be reading their CV?

We hope to see you at the event!
