

Cheltenham Bournside School A-level Retake Policy

Year 12

Students may resit A-level subjects that they have already completed in Year 12 under the following circumstances only:

1. A formal written diagnosis of a medical condition that has had a proven impact on attendance and/or learning and progress in the classroom
2. Evidence of engagement with the school throughout the student's time in the Sixth Form to date
3. Evidence of engagement by the student with strategies created by Bournside School throughout the previous year to address any obstacles to their education at Bournside School

Once numbers 1, 2 and 3 have been met, the student will need to complete an online application form and formally apply to rejoin Year 12 alongside the incoming former Year 11 students. Their application will be treated as a new application and be subject to the same admissions processes as all of the other new applicants as outlined in our published admissions policy.

Year 13

Please see the examination entry policy – section 2 “process for accepting external candidates” on the school website.
